

## Minnesota Amateur Baseball Umpires

Thank you for your interest in working the 2012 Minnesota State Amateur Baseball Tournament. This year the tournament will be held in St. Cloud in August and September.

Every year we strive to select the most qualified umpires from the State of Minnesota to help our tournament be successful. Our teams have told us repeatedly that they want only the best umpires for their games. While many qualified umpires apply, we will select only those with the correct combination of experience, rules knowledge, mechanics and game management skills.

Before you apply please understand the following:

1. Umpires will work 2 man crews throughout the tournament and will be assigned to work double headers.
2. The MBA along with the host site will determine any issues associated with weather related delays. Umpires that wish to leave during a weather delay may do so but will forfeit any future tournament assignments.
3. Umpires will be paid \$100.00/umpire/game. There is no travel or meal allowance.

You will be notified by August 1 if you have been selected for the tournament. First round assignments will be mailed on August 10<sup>th</sup>.

Applications must be received by **June 5<sup>th</sup>, 2012**. No late applications will be considered. Please contact me with any questions you might have. Completed applications can be returned to:
